MEMORANDUM FOR: Observers at NIH Demonstration

SUBJECT : Demonstration of a CRT Display System

1. You are scheduled to attend a demonstration of a CRT Display System at the National Institutes of Health, Bethesda, Maryland on:

Friday, February 6, 1970 - 1230-1500
Friday, February 6, 1970 - 1530-1800
Monday, February 9, 1970 - 1230-1500
Monday, February 9, 1970 - 1530-1800

2. The attached map provides the location of the demonstration. Please try to provide your own transportation or contact others in your organization who may be attending. Call [] if you cannot obtain transportation, prefer an alternate date for the demonstration, or if you have other questions.

3. After 1800 hours, on both February 6 and 9, we will continue to have use of the display equipment. You are welcome to stay and ask questions or to ask for other graphics or text to be displayed and manipulated. Please bear in mind that this demonstration is aimed at showing the versatility of the system. While some of the things to be shown are related to the types of problems encountered in our work, they may not be exactly the things you want to see.
